AUTODESK® FUSION 360™

Workshop

Date: 2nd January 2021
Time: 14:00 IST to 18:00 IST

EVENT

Start Date & Time: 2nd January 2021, 2100 IST
End Date & Time: 16th January 2021, 2100 IST

Participation

1. All participants will participate individually.
2. Other than having the AutoDesk Fusion 360 software installed, there are no prerequisites to participate.
3. There is NO participation fee.

Workshop Guidelines

- There is no eligibility criteria or any fee to attend the workshop. Anyone can join the workshop.

- Students are advised to have the software AutoDesk Fusion 360 installed before the workshop on their device. Working alongside the instructor is a great hands-on experience and is the best way to learn the software.

- The Workshop will be held online. The link and the details to join will be shared shortly after the registration.

The Design Contest

- The design contest will start on 18:00 IST, 2nd January 2021, and will run till 18:00 IST, 16th January 2021. Design submissions will only be accepted during this period.

- The organisers hold the rights to make changes in the event format or structure without prior notice to the participants.
  The participants would be informed regarding any changes via mail beforehand.

- The design will be judged on the following parameters:
  1. Adherence to the problem statement (10 points)
  2. Complexity (10 points)
  3. Miscellaneous (10 points)

- Plagiarism is strictly prohibited. If a participant is found to have plagiarized or have used any unauthorised sources anywhere in the model, strict actions(which may include disqualification also) will be taken after proper investigation.

- Only the submissions made on the AutoDesk Fusion 360 software will be considered for the prize. Here is the link to download the software:

  - The educational licensed version (advised to download this if you are a student, not compulsory)
  - Hobby, personal use version

- Submission details will be sent the to the registered email address

Prize Distribution

- Rank 1   INR 7,000
- Rank 2   INR 5,000
- Rank 3   INR 3,000

There will be prizes during the workshops also, which will be announced shortly before the workshop.
